

The operation of our pool during Covid-19 facilities is a learning process for all of us. Safety of our residents is our #1 priority. Effective immediately, there have been changes to some of our rules. **PLEASE READ...**

1. No inflatable rafts, tubes, or large floats are permitted. Water noodles, small kickboards, and small baby floats are allowed.
2. No balls of any kind or anything that can be thrown or tossed are allowed in the pool or pool area. (These items have a tendency to get thrown into other social distanced areas)
3. No squirt guns are allowed in the pool or pool area.
4. Only toys designed for aquatic or pool use are permitted. All toys must be approved by pool monitor or lifeguard on-duty.
5. All toys and floatation devices must be washed prior to going into the pool and must be free of any dirt, sand, or debris.
6. All residents must sign-in and agree to the waiver of liability.
7. Residents under 16 years of age must be accompanied by a parent or legal guardian unless they have passed a lifeguard administered swim test. Swim Tests are currently on hold until lifeguards become available.

Reminders:

1. At this time, only permanent residents of Highland Oaks are permitted to use the pool and pool facility. Residents may not bring guests until further notice. No exceptions!
2. No pool furniture shall be moved from assigned locations.
3. Maintain social distancing at six feet apart.

Any violation of these rules should be reported to the Pool Monitor and the HOA Board or pool committee. Pool Committee and the HOA Board will investigate each incident and take such corrective action as they deem necessary.

VIOLATION OF ANY OF THE RULES IS SUBJECT TO FINES OR SUSPENSION OF POOL PRIVILEGES WITHOUT WARNING.

THE POOL MAY CLOSE IF RESIDENTS DO NOT ADHERE TO ALL HEALTH AND SAFETY POLICIES DURING COVID-19.

RULES ARE SUBJECT TO CHANGE DURING THE SUMMER TO MAINTAIN A SAFE ENVIRONMENT. CHANGES WILL BE POSTED AT THE POOL AND EMAILED OUT TO THE RESIDENTS
